Quarterly AI Rules Review

Maple & Birch Bookkeeping (SAMPLE) · Quarter: Q1 2027 · Reviewer: Policy Owner · Time needed: about 30 minutes

> **SAMPLE: fictional office.** "Maple & Birch Bookkeeping" is made up to show what a Clear Rules client document looks like. This is general guidance, not legal advice. Clear Rules Cyber Security makes no promise of compliance with any law, insurance result, or security outcome.

#	Check	Result	Action
1	Is every tool staff actually use on the Register? (Ask at the team meeting.)		
2	Did any vendor change its AI features, data use, or plans this quarter? (Clear Rules monthly notes help here.)		
3	Are personal or free AI accounts still off-limits in practice?		
4	Copilot: has file and folder sharing been checked so it can't surface files people shouldn't see?		
5	New staff since last review: all signed the current version?	___ of ___	
6	Report-a-Concern forms this quarter: how many, and what did we learn?		
7	Any client asked about our AI use or our security?		
8	Does the policy still match how we work? What should change?		
9	Do we need a new version? If yes: version __, staff to re-sign by _____
